**PALOMA'S FASHION FORECAST**

Hey, gang! It's Paloma here with some hot holiday fashion tips for your furry companions. You know, November is like the calm before the storm. The holidays are on everybody's mind, but we always put off the shopping until it's too late. Lucky for you, I've got a few suggestions that might just jumpstart your gift-buying ability. After all, nobody likes a procrastinator.

Get a head-start on your holiday hound-wear with one of our adorable doggie tanks. If your little buddy is a bilingual barker, be sure to grab a goofy "[Fleas Navidad](#)" Tank so he can spread holiday cheer cross-culturally. Even if your pooch can't *parle vous* he can always "woof, woof, woof," in the hilarious "[Ho, Ho, Ho](#)" Tank. And if your furry friend fancies himself an elf, you can't go wrong with the "[Santa's Little Helper](#)" Tank.

But nothing beats a late November night's walk around the block in a comfy new harness! And if you're looking to upgrade, Gooby has got the goodies that will make you gobble. Their best selling [Freedom Harness](#) is now available for Big Dogs. That's right; Gooby's [Big Dog Freedom Harness](#) is designed with the same body structure as the original, but with strong nylon straps and an improved buckle for increased security and comfort. Who couldn't use a comfier walk?

*Stay fabulous,*

**FLOYD'S JOKE CORNER**

It's the day before Thanksgiving, and the butcher is just locking up when a man begins pounding on the front door.

"Please let me in," says the man desperately. "I forgot to buy a turkey, and my wife will kill me if I don't come home with one."

"Okay," says the butcher. "Let me see what I have left." He goes into the freezer and sees that there's only one scrawny turkey left. He brings it out to show the man.

"That's one is too skinny. What else you got?" says the man.

The butcher takes the bird back into the freezer - waits a few minutes - and brings the same turkey back out to the man.

"Oh, no," says the man, "That one doesn't look any better. You better give me both of them!"

*Keep it goofy,*

**LUCKY DOG OF THE MONTH**

**November's Lucky Dog of the Month is... Carly!**

Carly is a ball-loving, fence-climbing, four year old Cairn Terrier who loves her daddy and playing in the yard.

She is best known for her skills with a tennis ball - fetching, catching (and the occasional scalping).

An accomplished escape artist, Carly has scaled playpens, baby gates and chain link fences without breaking a sweat.

Carly's best friend in the whole world is her dad. In fact, he's the reason she frequently climbs the fence – she just loves to be with him while he does the yard work.

Her favorite place when riding in the car is between your neck and the head rest (which is pretty great when it's cold outside).

**Carly sure sounds like a good times kinda gal. Congratulations!**
